

Tabletop Series

Top Loading Scales

The CHATILLON® Tabletop Series are precision top loading scales ideal for food service operations, educational institutions, industrial applications or for the home. Scales feature a temperature compensated dual spring mechanism and dual supports for excellent measurement stability. Dial is easy to read with large graduations and high-contrast lines and numbers. Dial graduations in pounds and pound/kilogram units of measure. Available with stainless steel and steel flat platforms or galvanized steel spider scoop.
